

*Are you interested in participating in a group that creates and hosts a retreat at Rolling Ridge? Do you have vision for a programming theme or format? Or perhaps you know of an engaging speaker/resource person?*

At Rolling Ridge's annual retreat for residential and board community members, we affirmed our intention to offer programming around five important "charisms":

- ❖ Earth Care
- ❖ Meditative Arts
- ❖ Peace & Justice
- ❖ Spirituality & Faith
- ❖ Community & Family

As RRSRC endeavors to offer a wider range of retreats we are interested in hearing from friends, partner groups, and new voices who have particular energy to help envision, plan, and host these events.

**Currently a handful of active groups are seeking more collaborators to develop retreats along the themes of 1) Meditative & expressive arts, 2) Racial justice & reconciliation, and 3) Living Christian faith and identity in troubled times.**

If this type of work and partnership calls to you, please email [community.rollingridge@gmail.com](mailto:community.rollingridge@gmail.com) to connect and share your vision. **We also welcome you to join us for our Annual Meeting on Saturday, November 12 where we will spend time together generating and sharing ideas.**
